EASA Form 1 – Issue 2

#### USER/INSTALLER RESPONSIBILITIES

This certificate does not automatically constitute authority to install  
Where working in accordance with the national regulations of an Airworthiness Authority different than the Airworthiness Authority of the country specified in block 1, the user/installer shall ensure that their Airworthiness Authority accepts items from the Airworthiness Authority of the country specified in block 1.  
Statements in block(s) 13a and 14a do not constitute installation certification. In all cases aircraft maintenance records must contain an installation  
Certification issued in accordance with the national regulations by the user/installer before the aircraft may be flown.
